Relative Pronoun

What are relative pronouns?

Relative pronouns are used to introduce relative clauses. Who, whom, whose, which, that are the most common relative pronouns.

Note: The relative pronoun replaces the noun.

- **Who** is the man, that build your house?
- Mary, **who** is 99 years old, is going to be 100 years old in a few weeks.
- The cake **which** I bought, is chocolate and coffee flavor.
- The dress, **that** you got on sale, is very pretty.
- Karen, **who** is my English teacher, is an excellent teacher.
- The boy, **who** was hurt in the fire, is in my class.
